Note that actual image size may have a ½” to 1” overall variance from stated size.

MOUNTING & MATTING:

Your prints will be dry-mounted on archival foam board. We usually oversize the mount board by 3” to 8” on each side (depending on print size) to allow for the over-mat. The mounted print will then be over-matted with white archival 4-ply board, or with your choice of color.

FRAMING:

We can frame your image for you, but it will need to be quoted separately due to variations in materials.

EDITIONS:

All prints are sequentially numbered within the year its printed and then personally signed on the back for archival purposes. A “*Certificate of Authenticity*” will be included with each print.

PAYMENT & SHIPPING:

We accept payments by check or any major credit card. Currently we are only shipping within the USA or Canada. We only charge for actual packaging and shipping costs.
